The background of the slide features a large, detailed, and slightly faded coat of arms of the Russian Federation. It is a double-headed eagle with spread wings, holding a scepter in its right talon and an orb in its left. The eagle's chest is covered by a shield with a golden field depicting a lion passant guardant. The entire emblem is set against a dark, textured background.

The background image is a dark, blue-toned photograph. In the foreground, there is a ceramic jar with a lid that features a safe dial with numbers 1-9, 0, *, and #. The jar has a decorative pattern on its body. Behind the jar, there is a cracked eggshell, suggesting a hidden or broken surface. The text is overlaid on this image.

Бизнес Инфраструктура Управление ИБ

The logo for JET CHALLENGE is located on the right side of the slide. It features the word "JET" in a large, bold, dark blue sans-serif font. Below it, the word "CHALLENGE" is written in a smaller, all-caps, light blue sans-serif font. The entire logo is contained within a white, rounded, pill-like shape. A thick blue curved line is visible in the background, passing behind the white shape.
